

Dear Colleague,

I invite you to join or renew your membership in the Massachusetts School Psychologists Association!

MSPA is the only statewide organization representing the interests of school psychologists in Massachusetts. It is an organization dedicated to advocating for appropriate educational and mental health services for children and families. Members are professionals who maintain a communication network in order to disseminate and respond to information of local and statewide concern.

The benefits of MSPA membership include:

- Access to the **Members Only** section on the new MSPA website
- Informative Bulletins
- MSPA Newsletter
- Licensing and Vendorship Lobbying
- Continuing Professional Development
- Public Relations and Advocacy
- MSPA Members Listserve
- Networking Information
- Social Action
- Protection of Your Professional Interests
- Connection with Members of Affiliated Statewide Organizations (WMSPA & Cape Cod)

I hope that you will decide to join or renew your membership in the organization that is completely dedicated to your profession of school psychology.

Visit our **newly updated website** frequently for updates, announcements, and resources (<http://www.mspa-online.com/>).

Please contact Bob Babigian, membership committee chairperson, at MSPAMembership@gmail.com with any additional questions regarding membership.

Thank you!

Bob Babigian CAGS, NCSP
Membership Committee Chairperson
Massachusetts School Psychologists Association
